

In the Supreme Court of the State of Alaska

Richard L. Green,

Appellant,

v.

**State of Alaska, Department of
Health & Social Services, Office of
Children's Services, as legal custodian
of Un-named Children 1-4 and Office
of Public Advocacy, as guardian ad
litem of Un-named Children 1-4,**

Appellees.

Supreme Court No. **S-18062**

Order Regarding Public Defender Agency Filings

Date of Order: **May 27, 2021**

Trial Court Case Nos. **3PA-20-00568/569/570/571CI**

The Public Defender Agency provided counsel to appellant Richard L. Green in the underlying superior court proceeding; on May 24, 2021 it filed a number of documents in this appeal, including a motion for an extension of time for Mr. Green to perfect his appeal in light of the May 6 deficiency notice issued after Mr. Green — self-represented — filed his original appeal papers. This court issued an order on May 13 clarifying that Mr. Green's appeal was accepted, and this court issued an order on May 26 allowing Mr. Green to proceed self-represented pending resolution of questions about court-appointed counsel. Mr. Green filed a partial opposition to the Public Defender Agency's filings. The following orders are issued about the Public Defender Agency's filings:

1. The Docketing Statement is **ACCEPTED** as filed and will be considered a supplement to Mr. Green's Docketing Statement.

2. The Notice of Appeal is **ACCEPTED** as filed and will be considered a supplement to Mr. Green's Notice of Appeal.
3. The Statement of Points on Appeal is **ACCEPTED** as filed and will be considered a supplement to Mr. Green's statement of points on appeal.
4. The Designation of Transcript is **ACCEPTED** as filed and will be considered a supplement to Mr. Green's Designation of Transcript. If Mr. Green believes additional designations are necessary, he must file a notice of supplemental designations.
5. The Motion for Extension of Time to Respond to Notice of Deficiency is **DENIED** as moot.

The Public Defender Agency's remaining motions — whether on its own behalf or on Mr. Green's behalf — regarding the issue of court-appointed counsel for Mr. Green will be decided in conjunction with Mr. Green's May 26 motion for the appointment of counsel, which will not be ripe until the other parties have had an opportunity to respond.

Entered at the direction of an individual justice.
